**Chamber to begin 68th Year!  
We'll kick it off at our Annual Breakfast  
Meeting on Monday, October 21st**

The Anoka Area Chamber of Commerce will begin our 68th year of operation with our Annual Meeting on Wednesday, October 21st. The event will be held at Courtyards of Andover and virtually. With the current pandemic in play, things will be a bit different. Per the State of MN regulations, we can seat up to 180 at that location. We will offer both an in person or virtual option. Registration and a breakfast is from 7:00 to 7:45 AM followed by the program from 7:45 to 9 AM. For those that will attend virtually, we haven't forgotten about your food! You will be able to pick at gift card to any Chamber member restaurant in the amount of \$10. You get some great food and it helps our member restaurants as well!!!

We will be honoring retiring Board members and announcing the Business of the Year, Ambassador of the Year and President Award winners.

Our guest speaker will be Gary Cohen, Managing Partner at CO2 Partners, an Executive Coaching and Leadership Development Firm. He is a published author and has written articles for Business Week, leader to Leader, and Forbes. Gary has a very curious personality which always leads to a presentation style that will engage his audience. Prepare to be taken on an adventure as you experience the discussion on "Leadership in times of disruption". In the conclusion of this you will travel forward with several techniques and new insights that can be applied to how you lead your teams and organizations.

**TABLE HOSTS WANTED!**

We're looking for table hosts for this event. You can buy a table of 4 for just \$110. Individual tickets are \$30. Call the Chamber to RSVP at 763-421-7130 or email to: [mail@anokaareachamber.com](mailto:mail@anokaareachamber.com).

## This Month's Member Benefit Gets You The List!

The Anoka Area Chamber of Commerce is a business organization made up of and ran by business people. Our goal is a simple one, do the best job to help promote and better our business members. There are many benefits of membership available only to members of the Anoka Area Chamber of Commerce. Each month we'll highlight one of the benefits. If you'd like to learn about all benefits available, attend a Member Orientation Meeting held each month on the 2nd Thursday from 8 to 9 AM at the Chamber office. The meeting is free. ## Chairperson's Letter

Well this is it, my final newsletter article. I was asked by Pete to review my year as your Chamber chairperson, and share with you what we have accomplished. This year has been very interesting to say the least. At our very first meeting we started out with great excitement and energy! We were just coming off of a six year plan and it was time to set new goals. Everyone gave opinions and ideas and were not afraid to share them. After a healthy discussion during our meeting, we set forth with a new plan for 2020. We continued our discussion for the next couple of months. The holidays were done, and it was time to move on. Our group was getting to know each other a little better at each gathering. Progress! Then BOOM, COVID hit. We asked each other, now what? The answer was --- PIVOT. New plans. The Chamber became fully digital. All meetings and networking moved to zoom, the newsletter disbursement went fully digital, and the website became THE source for COVID information pertaining to businesses.

Great success in uncertain times. It was later expressed to me with empathy, "Man, what a bad year to be the chairperson", but I would have to disagree. I have learned a lot this year. I have learned how to make things work, even when you don't know what to do. I have seen multiple members this year change their business plans to accommodate the ongoing changes that the virus brought to our lives. Our changes worked. To keep this newsletter short and sweet, I will wrap up. I feel good that we have worked together and maintained a good position for the Chamber this year. The upcoming year will be just as interesting as the past year. Best wishes to all and thank you for the opportunity to be your 2020 chairperson.

## Digital Adaptation at AHCU

As many businesses have pivoted their in-person services to the digital space, Anoka Hennepin Credit Union has been working on this adaptation long before COVID-19. Although we've continued to keep our Anoka branch closed, even after reopening our other five branch lobbies with limited capacity on July 22, 2020, we understand keeping things remote may still be our members preferred method of managing their membership and accounts. Through our comprehensive online services, there are few limitations to meeting all member's credit union needs from the comfort and safety of home. We introduced a brand-new website on July 15<sup>th</sup>, 2020, that has one of the best user-friendly experiences available and was designed specifically for AHCU member's changing needs. We also offer online account opening and a live chat service with AHCU representatives called *AHCUface2face*. The robust features already in place, combined with these new technologies will create a seamless environment for our members by phone, tablet or laptop long beyond a pandemic.

For more information, check us out online at [www.ahcu.coop](http://www.ahcu.coop). Thank you and be well.

As businesses, non-profits, and other types of institutions, we use many ways to communicate the value of the products and services that we provide. Oftentimes this means spending many hours and stressing to ensure that the message is clear and concise across all media – from signage to apparel, from business cards to websites, from promotional giveaway items to social media pages. It becomes especially time consuming when multiple vendors are involved – one for print, one for apparel, one for promo items, and one for web and social media.

At Printleaf, we're more than just a supplier of printed and promotional products – we're a marketing communications partner and a one-stop-shop solution for all marketing materials. Since 2011, we've helped thousands of businesses, non-profits, and other organizations save stress and countless hours on procuring their marketing materials and ensuring that the marketing message remains clear, concise, and consistent. The types of materials we've supplied includes brochures, displays, giveaway items, websites, and social media (through our sister company Envision Digital). If you believe you need some help with communicating the value that you provide and save time on doing so, please feel free to reach out to us at 612-444-1425 or [slava@printleaf.com](mailto:slava@printleaf.com), we'd love to help!

## INCREDIBLE GIVING!!!!

Wow! That's all I can say! For the past 2 months the Chamber Golf Committee and Chamber staff has been working hard on the Chamber Golf Tournament Fundraiser that was held on September 11th. You saw me write about how this Chamber fundraiser was so needed and probably needed more than any in recent history. You saw me

write about the need for sponsors and donations for the event. You saw me write about how the Chamber along with all 501-C6 non profit organizations have been shut out of federal grants, etc. due to COVID.

Well, to no one's surprise the membership of the Anoka Area Chamber of Commerce stepped up and I'm talking BIG TIME!

Staff is still working on putting the numbers together from the fundraiser but I'm sure we did well. Probably not as well as past years but considering where we are all at now, I know it will be well above what I was hoping for!

The bottom line is, we asked and you stepped up. You did that in a time when stepping up isn't easy. I know that many of you are in the same boat as the Chamber and you are hurting. So for you to give now is truly appreciated!

What we do here is important! I don't say that because I'm employed here. I say that because of what I have seen happen here over my 30 plus years on the job. I've seen a lot. So many times we are the first contact when someone or a

business is looking at our area. We do everything we can to help people get the information they need to make the decision about where they will live and/or set up a business. We have had tons of wins on that front. I've seen people use Chamber members when they contact us looking for a particular business and gotten feedback from members knowing it came through us. I know there is a lot of business we get out to members that you don't know about but know that those referrals come through us. I've seen the impact we have on local, state and federal elected officials as we advocate for our membership.

All this is the name of the mission that is the Chamber. Know that you make a difference here by supporting the Chamber. I had a couple of members just reach out and say, I know you're hurting and I'd like to send you a check!! Thank you Scott and Jerry and Mike and Scott! I mean are you kidding me? That is incredible. All I can say is THANK YOU for the INCREDIBLE GIVING!
