**State of the Cities Luncheon is
February 16th**

The Anoka Area Chamber of Commerce will host representatives from the cities of Andover, Anoka, Champlin, Coon Rapids, Dayton, Nowthen, Oak Grove, Ramsey and St. Francis at the February Membership Luncheon. **THANK YOU TO OUR LUNCHEON SPONSORS:** Iceberg Web Design and Bruce & Darlene Sogn from Oakwood Insurance Agency.

The topic of the luncheon will be our Annual "State of the Cities" address. The luncheon will be held at Bunker Hills Event Center, 12800 Bunker Prairie Road in Coon Rapids. Due to COVID restrictions, this year's event will be offered with an in-person and virtual option. Per the State, we can have 102 people at the event in person. We will follow social distancing guidelines and food will be served by the plate. Tables will have a maximum of 6 people.

This very popular luncheon will get you up to date on key issues occurring in our area cities. You'll find out what's been happening in our area communities and what's coming up.

The luncheon will begin with a registration and lunch at 11:00 a.m. followed by the program from 11:45 a.m. to 1:00 p.m. Cost is \$20 per person. You can also get a reserved table of 6 for \$120. Please call the Chamber office at 763.421.7130 or email to mail@anokaareachamber.com to RSVP. Don't miss this great opportunity to get up to date on what's happening in and around your community.

Thank you to our State of the Cities Member Luncheon Sponsors:

MEMBERSHIP IN THE CHAMBER COMES WITH BENEFITS!

This Anoka Area Chamber Member Benefit is a BLAST!

This month's benefit is: The Email Blast List.

The Chamber has an email list of members that is available to any Anoka Area Chamber Member. The list is NOT given out to anyone else as it is a benefit of membership in the Chamber!!!

The Email List will provide you with a great opportunity to network with the membership of the Anoka Area Chamber of Commerce about the products and services your business features. You can create your own email piece and get it out to fellow members as often as you like with just a click of a button!

If you don't want your email included in the email blast list being offered to the membership, just call the Chamber office and we'll pull your name from the list. The Email List of members is yet another benefit of membership in the Anoka Area Chamber of Commerce. Use your benefits to benefit your business!

For more information about this benefit or any other benefits of membership in the Anoka Area Chamber, call 763.421.7130.

The Anoka Area Chamber of Commerce is a business organization made up of and ran by business people. Our goal is a simple one, do the best job to help promote and better our business members. There are many benefits of membership available only to members of the Anoka Area Chamber of Commerce. Each month we'll highlight one of the benefits. If you'd like to learn about all benefits available, attend a Member Orientation Meeting held each month on the 2nd Thursday from 8 to 9 AM at the Chamber office. The meeting is free. RSVP to 763.421.7130 or mail@anokaareachamber.com.

Chairperson's Letter

Well, here we are, past the holiday pressures, the elections, and the forest fires (remember Australia). Covid 19 is still here doing its devastation, but at least we can see the light at the end of the tunnel with vaccines being distributed. If there is one thing I have learned, is, recognize the past, but do not look back, look forward. Where you came from, is not where you want to be in the future! Business will continue, just differently. So now is the time to recognize what the chamber has and has had for a long time: a multitude of ways to promote your business.

We offer many ways to connect with businesses within the chamber. A business that is able to send clients your way and visa-versa can be a valuable partner. Perhaps there is a business that can supply product for you as well. You just need to filter through the member list and set up some meetings. Or, come to some of our several networking opportunities to meet potential partners and arrange to get to know them better at a private encounter.

Take advantage of the web site, newsletters, and Cable TV. These are ways you can **promote yourself for FREE.**

Throughout the year there are professional development events. These are announced in the weekly newsletter.

You can entice fellow members to get to know you, by offering exclusive discounts or products just for them.

So, take your eyes off that rearview mirror. Look forward. There is a great business year ahead of us. We just need to embrace it with all the positive attitude we can share.

Happy New Year to all of you. Let us make 2021 a successful and prosperous year

Spotlight on: The City of Ramsey

Continuing to Balance our Rural Character and Urban Growth

Despite uncertain economic conditions due to the COVID-19 Pandemic, 2020 was another strong year for new growth. Ramsey saw the growth of nearly 200 new households and continued interest in additional industrial growth. Retail continues to be negatively impacted by the pandemic, but is poised to make a strong return once COVID-19 subsides. For more information on new growth in Ramsey, please visit www.cityoframsey.com/development.

The Ramsey Gateway Project – Vision Has Become Reality for Highway 10/169 in Ramsey

After a City-led, year-long planning process that created a unified vision, Anoka County has led a funding and design effort that has now secured over 50 percent of the required funding for this \$138 million project. The City is beyond grateful to its funding partners - the US Department of Transportation, State of Minnesota and Metropolitan Council - for securing nearly \$85 million. These funding sources will result in initial construction beginning at the end of 2023 with primary construction in 2024 and 2025. In early 2021, Anoka County and the City will host an Open House to provide an update on the project funding and design process and seek additional feedback from the community on final design aspects. For more information, please visit www.anokacountyramseygateway.com.

Assistance for Businesses Impacted by COVID-19 Pandemic

The City of Ramsey has implemented programs to supplement Federal, State and County Assistance programs. Helpful programs like the Payroll Protection Program (PPP), Economic Injury Disaster Loan (EIDL) and State and County grants were available to businesses impacted by COVID-19 but Ramsey wanted to do more to help. The City of Ramsey implemented a phased approach with a focus on businesses impacted by the Governor's Executive Orders - temporarily closing bars, restaurants and other places of public accommodation. Phase 1 included a local business resource page, a restaurant status guide, 2020 fee waiver of on-sale liquor license renewal and a waiver of advertising fees. Phase 2 was a \$10,000 grant program that expanded the focus to include all small businesses negatively impacted by the pandemic and subsequent executive orders. Thirty individual grants were issued to Ramsey Businesses totaling \$295,905.02. The City continues to look for ways to help our businesses during these challenging times.

Expanding Economic Development and Employment Opportunities

Bunker Lake Business Park, the City's newest employment district, is open for business. This public/private partnership extended roads, city infrastructure and fiber on Bunker Lake Boulevard west of Armstrong Boulevard. This 125-acre business park is Minnesota Shovel Ready Certified and has nearly 60 acres available for development. Four buildings were constructed in the business park from 2017-2020, providing over 407,800 square feet for new manufacturing, industrial and indoor recreation businesses. The newest addition to the park is Delta ModTech which moved into its 229,000 square foot facility in August of 2020.

Other businesses located in Bunker Lake Business Park include B & H Machining, Northwood's Manufacturing, MR Plex, 401 Machining, Adrenaline Sports, Jumpn' Gymnastics, Team Packaging and others. Other commercial/industrial development is happening in other areas of the City. Suite Living Senior Care of Ramsey, Ramsey Storage Center, M & G Trailer, Ace Solid Waste Expansion all completed projects in 2020. The addition of these businesses has created an abundance of living wage jobs within the community and helps build capacity for additional retail and restaurants.

Advancing the Vision for Downtown Ramsey

Development and investment in Ramsey's downtown continues. A goal of our downtown is to provide a mix of uses and create a vibrant community. This area has a strong residential and employment base with a growing retail base. Its strong

civic and public spaces help to fuel the momentum for more retail opportunity. Recent housing growth continues to capture the attention of area retailers as well - for retailers know: a housing growth equals a growth in its customer base. Sapphire Apartments, a 117-unit market-rate apartment is now leasing and Cottages at the COR, a 40-unit single-family housing project is over 50 percent built out. A 15,000 square foot retail center is complete and is now open for lease. The Storyteller Café (2-story mixed use), Gigi's Salon and Spa and O'Reilly Auto Parts have city properties under contract with plans to start construction of their projects in 2021. For more information on these projects, please visit the Planning page of the City of Ramsey's website at www.cityoframsey.com.

Abilities Ahead

Incorporating people with disabilities into the workforce

Moving forward together

When we created a capabilities brochure a few years ago, little did we know how these three words – “Moving forward together” – would take on new meaning in today's different world. Since mid-March, Opportunity Partners has continued to safely support our current business partners with their production orders, thanks to our selfless staff members stepping into new roles.

This has helped us navigate through the uncertain economic waves to continue our important community mission of providing work opportunities for people with disabilities. Safety of our teams and staff continues to be our #1 priority with all required safety precautions in place.

Existing customers, especially those who are in the “Do It Yourself”/home improvement market are particularly busy, as more people are starting new projects! More time at home, and less money spent on travel, entertainment and sporting events adds up to more disposable income for home projects.

We are working with new business partners who are struggling to find reliable workers or need an extra boost in labor. Many businesses are re-thinking their labor force to focus more experienced workers on skilled tasks and outsource repetitive, manual projects to organizations like ours. We offer a per completed piece pricing structure to control costs. With COVID restrictions, we have successfully made accommodations to complete quality checks via photos or video chats.

Organizations like Opportunity Partners, and our friends at Rise and Achieve Services, are eager to help you with packaging and assembly at our locations, as well as community teams of workers or direct hires. Contact us today!

By Opportunity Partners, a nonprofit organization advancing the quality of life for people with disabilities. More at opportunities.org, partner@opportunities.org or 952-930-4201.

Annual Chamber Gala Dinner Fundraiser Postponed

The Board of Directors of the Anoka Area Chamber of Commerce have made the decision to postpone the annual Gala Dinner Fundraiser to a date later in 2021. The event was scheduled to be held on February 19th. With the current State mandates due to the pandemic in place, the Board of Directors felt that the date should be moved until safer conditions are in place and more people can attend.

Chamber President Peter Turok stated, “This is a critical fundraiser for the Chamber each year. This event needs to be held in 2021 and done with the best chances of success and safety in mind.”

Work continues on the event and when more is known on a new date, the membership will be notified.

The Gala Dinner Committee would like to thank

Connexus Energy who is the Presenting Sponsor for the 2021 Chamber Gala Dinner!

Trott Brook Benefit Raises \$9,826 for Chamber Scholarship Program!

The Trott Brook Benefit Bash was held in August at the Draw Park in Ramsey. This was the 16th annual Benefit hosted by Jim and Lisa Steffen, owners of Trott Brook Financial, an independent financial advisory firm located in Anoka. A large crowd turned out and were entertained by Free Fallin' – a Tribute to Tom Petty, while enjoying food and beverages from local food trucks. All proceeds from the Benefit were donated to Youth First Community of Promise and the Ann Talle Anoka Area Chamber of Commerce Scholarship Fund, which awards college scholarships to graduating seniors at local area high schools as well as other educational scholarships in the area. Trott Brook Financial would like to thank the over 50 corporate sponsors that so graciously donated funds and made the Benefit Bash a successful event. If you'd like information regarding sponsoring next year's event, please contact Jim Steffen at 763-213-1000.

Pictured above is Jim Steffen from Trott Brook Financial handing over the check in the amount of \$9,826 from the Trott Brook Benefit Bash for the Chamber's Scholarship Program, to Peter Turok, President of the Anoka Area Chamber of Commerce.

A "Weird" Start to 2021!

Happy New Year. Ok Turok what's so weird about the start to 2021 as we have a historic pandemic in play. That will make any year much different than any in our history.

Yeah, I get that, really I do. Here's the weird part. I'm a guy that is into routine. I bet many of you are the same way when it comes to

your business life. Trust me when I say that running the Anoka Area Chamber of Commerce isn't all routine at all. I never know what's around the corner and I'm good with that. I react to it and act as needed. However, like with many jobs, routine does come into play and that is true here as well.

The usual January routine at the Anoka Area Chamber is we hit the ground running with the planning and implantation of our biggest event of the year, the Chamber Gala Dinner Fundraiser. Well COVID has other ideas and right now that event is on hold. Oh we will have that event. Heck, WE NEED TO HAVE THAT EVENT! We are a non-profit so when it comes to each fiscal year, we count on the continued support of our wonderful Chamber members and 2 fundraising events. The Gala Dinner and the Golf Tournament. With the State of Minnesota directing what we can and can't do, we just can't have the Gala Dinner on our usual slotted time in February. The Gala Dinner Committee is on hold until we can get this event open to attendees to make it work.

The weird part is I've had this same schedule for the last 28 plus years. January 1 comes and staff puts things into first gear and we go! Now, not so much. There's plenty to do, just not with the urgency of the past. It just feels weird. I know what is going to happen, more weird will come into play in 2021. We will be able to have the gala and times when it wasn't so busy here will be nuts. To be honest, bring it on, I can't wait.

That's what I think 2021 is going to be. It has a lot of promise of things getting better. Notice I didn't say, normal.

Not sure when that will be the case. But better is good and I do feel things are going to turn for the better. I, like all of you and the rest of the world are ready now! I do believe I will attend a Twins game this year and to me, that will mark a major step to getting things back as that means we can get together in large crowds.

Until then, weird is the word of the day but a day with hope.

Here's hoping I see you at a Twins game in 2021!!
